## Piedmont Junior Hog Show And Sale

By G. L. James

The Piedmont Junior Show and Sale was held at the Lynchburg Livestock Market, August 12, 1971.

Appomattox 4-H'ers and FFA members really did an outstandingjob of market hog production for this year's event. The exhibitors this year were: James Watkins, Jr., Edward Hudson, Manley Ferguson, Brent Washurn and Emmett Knight. These boys showed and sold twenty animals averaging 190 lbs. each. The market price the day of the sale was 20¢ per pound.

James Watkins was outstanding with his prize winnings (pictured above); 1st in a truck load of 5; 2nd in pen of 3 and reserve champion pen of 3; 1st with Grade 2; 3rd in showmanship; and 1st in this class.

We are proud of these young men and their progress and results. We would like to see more young folks participating. This is not just a project for boys -- this year a young lady from Albemarle County showed the Grand Champion and Reserve Champion --the second girl to win top honors in the 16 years of the Junior Market Show and Sale event.

Again, Congratulations! James Jr. He is the son of Mr. and Mrs. James Watkins of Route 2, Concord.

## Test Of Fisherman's Skill

That's a nine-pound catfish that Jack Martin caught the other day from an Appomattox pond (of course). Exact location of the pond is his secret, but it's no mystery that there's a lot of good eating for Jack, family and friends. By the way, he caught the fish with a fishing pole (which name and number has escaped from the reporter's memory) but took this whopping big fish on an eight pound test line. "How's Zat" for a TRUE fishing storv!

For example, you can choose a plan that lets you prepay college costs. Or a low cost loan that, in effect, is a pay-as-you-go program. And there's an extended payment plan that spreads educational costs comfortably over several years. Then there's a government guaranteed loan that requires no repayment until after graduation.

You can elect optional insurance coverage, too, that means the money will be there even if you aren't.

The important thing to know is this. Your boy or girl can start to college this Fall.
